

## The Process of Surrendering Renewable Certificates.

## **Mandatory Surrender**

(Primarily for energy retailers)

Informed of your Scope 2 Renewable Energy Certificate (REC) Liability.

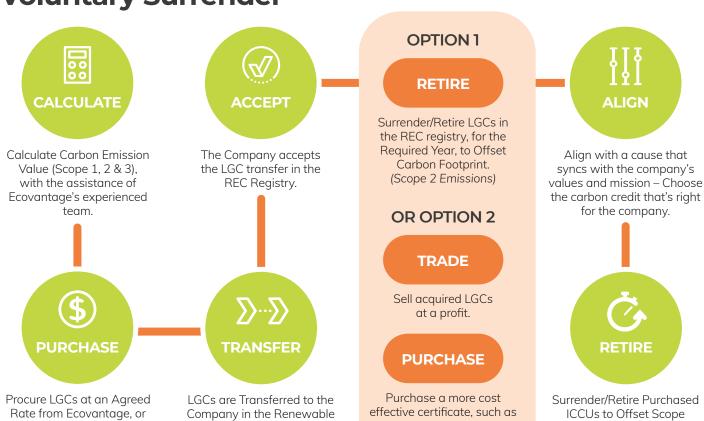

Procure LGCs at an agreed \$ rate from Ecovantage.

LGCs are transferred to the company in the Renewable **Energy Certificate** (REC) Registry by Ecovantage.

The Company accepts the LGC transfer in the REC Registry.

Surrender/Retire LGCs in the REC registry, for the required year, to acquit an LGC liability.

## **Voluntary Surrender**

use self-produced LGCs

from Renewable Energy

Production.

Energy Certificate (REC)

Registry, or can be held by

Ecovantage to be traded.

an ACCU or ICCU – which

can be used for any scope

of emissions.

1. 2 & 3 Emissions.
